Alice Berggrun

Organisation for Economic Cooperation and Development (OECD)

Alice Berggrun is a Policy Analyst and Manager for Asia-Pacific and Europe at the Anti-Corruption and Integrity in Government Division of the OECD. Alice has more than 15 years in the field of anti-corruption, both in the public sector and in international organisations. She was the head of the anti-corruption division at UNODC's office in Colombia. Prior to that, she worked as the head of International Law in the Transparency Secretariat of the Presidency of Colombia, where she oversaw the alignment of local legislation with international anti-

corruption standards.
She has also worked at
the Ministry of Foreign
Affairs in Colombia, the
National Planning
Department and the
International Budget
Partnership in
Washington DC.
