Krystyna Michalik

Poland

Expert in the Department of Projects and Strategy at the Ministry of Digital Affairs

Krystyna Michalik holds the position of Expert in the Department of Projects and Strategy at the Ministry of Digital Affairs.

A graduated of the Jagiellonian University in Krakow (Faculty of Physics), Ms. Michalik completed postgraduate studies and training in IT (including the East Central European Scholarship Programme sponsored by the American Congress). She is fluent in English and holds, among other qualifications, the TOGAF 9 certificate.

PRELEGENCI

From 1992 to 2000 Ms. Michalik worked in the tax administration and, as Deputy Head of a Tax Office, was responsible for the implementation of the POLTAX system. She subsequently spent 15 years in the financial sector (insurance and banking), where she gained experience in enterprise architecture.

She currently works at the Ministry of Digital Affairs where she holds the position of Expert on Information Architecture of the State.
