Asset Recovery and Management Agency (ARMA) of Ukraine has confirmed participation in conference "Asset declarations – unification, digitisation, control"

As organisers of the international conference "Asset declarations – unification, digitisation, control", which will take place on 9-10 December 2024, we are pleased to announce that the Asset Recovery and Management Agency (ARMA) of Ukraine has confirmed its participation in the upcoming event. The conference will be attended by Ms. Olena Duma – Head of ARMA and she will give a lecture on the cooperation of Ukrainian services in the field of asset declarations.
